Dear Windsor Federal Savings,

Thank you for responding to assist Connecticut residents struggling with energy and utility costs. Your generous gift of \$250.00 on 1/5/2021 to Operation Fuel couldn't have come at a more urgent time and will go to help individuals and families who are facing financial crisis - many because of COVID-19 job loss, reduced hours, or medical costs.

The outpouring of concern by people like you ensures that we will be able to help more families keep their power on. Operation Fuel is doing all that we can, thanks to you and our fuel bank partners, to help vulnerable Connecticut residents like the elderly and those with medical conditions who need electricity, running water, fuel oil, and more.

Thanks again for being a solid partner with Operation Fuel as we all continue to stay steady and strong and support those most needing a helping hand.

Dear Mr. George Hermann;

*Scott*

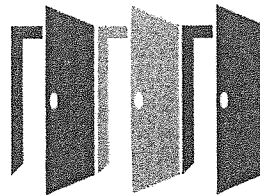

On Saturday, December 19, 2020, we held our 25th Biennial Benefit Auction on-line! In spite of Covid, this was a hugely successful auction, with total proceeds over \$165,000. This was possible because of your generosity. This money will be used to fund important projects for South Windsor, our region and our world.

Our entire membership thanks you for your contribution.

It is because of support from local individuals and businesses as well as those in surrounding communities that allow us to achieve this level of success.

Thanks again,

George, I along with the Greater Hartford Chapter of the March of Dimes want to thank you for supporting the 9th Annual Play It Forward Golf Tournament as a Fund The Mission Sponsor. This year, as crazy as it was, with dinner and the auction outside in tents, we were still able to present the MOD with a check for \$12,500, and over the past nine years we have raised over \$155,500.00 for research and education for the March of Dimes. All funds raised will support our mission to give every baby a healthy start in life by preventing prematurity, birth defects and infant mortality.

Next year's tournament is scheduled for September 10th 2021. We are all hoping that the COVID virus will be under control, and that we will have the opportunity to have an even more successful tournament, as this will be the 10th Annual Play it Forward Golf Tournament.

All of the members of our tournament committee have personally witnessed firsthand the challenges faced when babies come into this world much too early. We continue to be committed to do our part to work toward that day when babies are given much better odds at a healthy start in life as a result of the efforts of the March of Dimes.

Thank you for your sponsorship. Together, we will succeed in this mission!

Dear Mr. Walker and the Windsor Federal Savings Team,  
I just wanted to take a moment to express my gratitude for your *Heart of Gold* sponsorship for our first Touching Hearts Campaign. Your contribution of \$250.00 will enable our youth led organization to continue to provide diapers and other baby essentials like swaddles and shampoo to the 300+ children we serve in Manchester and surrounding communities. In the midst of uncertainty, you have shown that love can prevail, and you have given us the chance as high school students to continue to touch more hearts and receive priceless smiles from families. None of what we have accomplished over the last 8 months would have been possible without the support of the community, and we are so fortunate to now have the support of Windsor Federal Savings. We are empowered to continue to serve families through the remainder of the pandemic, and the economic recovery but more importantly until no family has to endure the struggle of diaper need.

From the bottom of our hearts, we would like to say thank you for your support of the pantry and belief in our mission to ignite positive change and offer hope to many families.

With deepest gratitude,

Kyle Zingler  
Founder and Chair

Dear Mr. Walker,

Many thanks to Windsor Federal for your \$1,000.00 Bronze Sponsorship of the Second Annual Race Against Hunger to benefit Connecticut Food Bank-Foodshare. Your financial support is the engine behind every pound of food we source and distribute.

The economic fall-out from the COVID-19 pandemic has produced a staggering number of people living with hunger. **545,000 people across Connecticut will struggle to put food on the table this year, up from 425,000 prior to COVID-19. One-third of those people are vulnerable children.**

These numbers are grim, but your donations are making a big difference in so many lives.

**You make it possible for us to provide millions of meals annually – 40 million last year alone. You help keep the doors open at 700 local partner food pantries, soup kitchens and other food distribution sites. You enable us to feed up to 1,500 families in just a few hours at our drive-through mobile food deliveries. Thank you.**

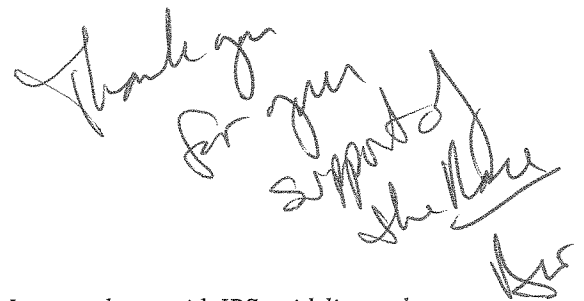

We know challenging months and possibly years lie ahead, but with your commitment and partnership, we will continue to work long and hard on your behalf to help end hunger in Connecticut.

There is another simple way you can help even more: please spread the word about our shared mission with your family, friends, coworkers and social media connections – we're @ctfoodbank.org.

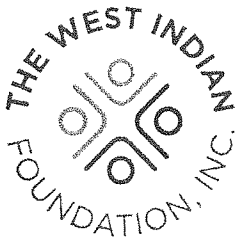

On behalf of everyone at Connecticut Food Bank-Foodshare, we are very grateful. **Thank you.**

Dear Mr. Hermann:

I am so very grateful to Windsor Federal Savings for its donation of \$850 on 7/2/21 as a Player Cart Sponsor of our 24<sup>th</sup> Annual CRIS Radio Golf Classic. We are very appreciative of your generous support of CRIS Radio during a time when the demands for donations due to COVID-19 must be enormous.

Windsor Federal's Player Cart Sponsorship includes the following:

- Foursome, including player carts, golf fees, lunch on the green, and dinner;
- Sign on Player Cart; and
- Recognition in event program.

This has been an unprecedented year for all of us. At CRIS, we are fortunate to now have 45 volunteers who are recording publications from their homes. Dear Mr. Walker:

Thank you for your contribution and efforts toward making the Bill Moore Memorial Golf Classic a success. This event honors the tremendous legacy of one of Central Connecticut State University's greatest ambassadors, while also raising much needed funds to support Blue Devil Athletics.

As you may know, Dr. Moore dedicated three decades of his life to CCSU as the Director of Athletics. During his tenure from 1962-1982, he presided over Central's evolution from the NAIA to the NCAA. Dr. Moore's commitment to CCSU and especially Blue Devil Athletics didn't end when he retired from the University; he remained one of the University's most ardent supporters.

As classes and activities are expected to return to campus this fall, we hope you will take the opportunity to visit Central and see a sporting event. We are proud that CCSU's student athletes are regularly named New England Conference Scholars and believe they represent the best of our Blue Devil sports and academic traditions.

Again, your support of and continued dedication to CCSU Athletics and our student athletes is greatly appreciated.

Dear Mark,

It is with great satisfaction that I send you thanks for your support for the latest edition of Recovery Club Golf Tournament. The generosity of sponsors surpassed anything I had seen since I began to work on the tournament.

The past year saw many changes in everyone's operations. During that time, we were able to keep the Recovery Club safely open adhering to all health guidelines, though some activities were curtailed. As other meeting venues closed their doors, we were able to adjust.

While following health guidelines was paramount, the question arose immediately, "Which is the greater threat, alcoholism and addiction or covid?" We learned of friends who did contract covid. We practiced social distancing by removing chairs, required masks, and instituted rigorous sanitation practices. Meanwhile the demand for recovery did not abate. Many older people in the high-risk groups switched to ZOOM meetings. Newcomers showed up, desperate, more and more, to take their places. Some groups had both ZOOM and in-person meeting satisfying a variety of levels of comfort.

Meanwhile, a prudent reserve assured that we could weather this storm. And the source of the reserve was my predecessors' squirreling away of funds over the years, funds which had their origins in your generous donations. Those donations have supported our operating budget over the years, but also, in this case, allowed the club to stay open in time of turmoil to provide hope for those who were at the jumping off point.

For Bill Emmons, myself, and the many others who worked to make the tournament a success, I thank you.

Sincerely,

Dear George,

On behalf of the Board of Directors of Suffield Community Aid, (SCA), I extend my sincere gratitude for the support. Windsor Federal's generous gift of \$200 will help Suffield residents experiencing health and financial challenges.

Suffield Community Aid was formed in 1903 to alleviate hardships for residents in their time of need. All these many years later, our commitment has not wavered. By striving to improve the quality of life for folks in need, the community is strengthened as well.

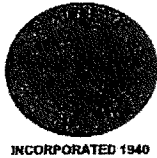

We could not accomplish our goals without the caring support of the greater community. This gift will provide us the ability to meet more needs and the flexibility to assist those in our town who may not qualify for other government programs.

We wish everyone at Windsor Federal health & peace this holiday season.

Sincerely,

  
Janet Frechette, MSW  
Executive Director

Dear Robin,

I am writing to express my appreciation for the contribution that you made to the Trolley Museum in 2021. Our donors play a major role in ensuring the financial health and well-being of the Museum which is one of our Region's cultural and historic treasures. *Thank you!*

We have been working hard over the past several years to ensure that the Museum reaches its full potential as one of New England's great living history museums and we are on our way to achieving that goal. Last year's work included **many upgrades to our railway, including track work and power pole replacement; new programs for the public; new exhibits; building and grounds improvement including the installation of new sidewalks; and substantial trolley car restoration and maintenance.** This work will continue in 2022 but we will also move forward with a visitor services program and to plan for the renovation of our auditorium to better serve our visitors and the community at large.

A note regarding our historic trolley cars - the average age of the cars in our operating fleet is 103! I have enclosed history cards for four of them which we hand out to our visitors who ride them. I hope that you will find them to be interesting. I also hope that you will visit with us later in the year to experience riding them for yourself!

Sincerely,

Gina Maria Alimberti
